NATIONAL SAFETY NEWS

Index to Vol. 88 July-December, 1963

An Author-subject index
Compiled by the Library of the National Safety Council

ACCIDENT RECORDS
Devil's Slide plant earns state industrial commission award. Nov., 41.
How to break a world record (Saul). Sept., 26-34.
Little things can count. Nov., 62-63.
New safety record set (Distinguished service). July, 69.
Record represents $37,760 saved. Dec., 94.

ACCIDENT STATISTICS
The accident barometer. Monthly department.
Accident death rate up 5 per cent (Smith). Aug., 36-39.
A better yardstick? (Milligan). Dec., 55-58.
Curves available (test of performance standard curves) (Voice of the reader). Aug., 6.
Injury experience, 1961, for sand and gravel industry (Wire). Nov., 88.
Z16.2 revision complete (McElroy). Aug., 93-94.

AERONAUTICS
House Committee on Government Operations charges airlines with indifference to needs of optimum air safety, makes recommendations (Wire). Aug., 85-86.
1963 federal legislation reviewed (Wire from Washington). Dec., 90-91.
Radar positive control separation centers cover two-thirds of country (Wire from Washington). Nov., 88-89.

AIR POLLUTION
Bill HR 6518 passed to strengthen air pollution control program (Wire from Washington). Sept., 58, 60.
H.R. 6513 passed to improve air pollution control (Wire from Washington). Dec., 87, 93.
Industry opposes U.S. pollution control (Wire from Washington). Nov., 85-86.

Andrews, Bill
Diary of a safety engineer (fiction). July 22; Aug., 20; Sept., 18; Oct., 10; Nov., 20; Dec., 20.

ASSOCIATIONS
22 associations earn National Safety Council awards. Aug., 89-90.

ASSOCIATIONS, specific
American Bakers Association--Baker's bulletin prints profit argument for safety. Oct., 245-247.
American Gas Association--AGA gives 55 awards. Nov., 81.

ASSOCIATIONS, specific (cont.)
American Society of Safety Engineers--Edwin B. Locke named new head for ASSE (Personals). Nov., 56.
Associated General Contractors of America--Association sets construction goal. Nov., 55.
Atomic Energy Commission--Award of honor and President's Safety Award to AEC (Distinguished Service). July, 70.
--Nuclear Safety Information Center being organized at Oak Ridge (Wire). Aug., 83.
Industrial Safety Equipment Assn.--1963-64 ISEA officers elected. Oct., 66.
National Constructors Association--1963 Association award to National Constructors Association. Nov., 83.
National Fire Protection Association--NFPA elects officers at annual meeting (Personals). July, 129.
--NFPA 1963-64 fire codes now in ten volumes (Fire tips). Aug., 66.
--New in fire protection posts in the Society of Fire Protection Engineers (Personals). July, 128-129.
National Restaurant Assn.--NRA makes play for better record (Hopkins). Aug., 46-47.
New York Insurance Conference on Occupational Safety--New York group to aid small businesses. Aug., 22.
Portland Cement Association--Testing for safety in the Windy City. Oct., 60.
Red Cross--A century of service since 1863 (The safety valve). Sept., 20.
Underwriters' Laboratories--Fire protection's torture chamber. July, 63-68.
--Testing for safety in the Windy City. Oct., 60.

ATOMIC POWER
AEC regulations concerning power demonstrations reactors (Wire from Washington). Sept., 58.
Hearings held on public health and safety in relation to the nuclear power plant of the N.S. Savannah (Wire). July, 125.
A workable fire and safety training program (Padellford). July, 26-27.

AUDIO-VISUAL AIDS
APE reminds employees--"No monkey business..." (Ideas that worked). Dec., 35.
Dramatized fire protection sells better (Cunningham). July, 28-29.
Green light means A.-O.K. safetywise (Ideas that worked). Oct., 37.
Keeping posted. New safety materials from the National Safety Council. Monthly department.
Next? (Pictures for the bulletin board). (Ideas that worked). Nov., 42.
Oh, say can you see? (Use of visuals) (Baltzer). Aug., 30-33.
These rattles aren't kid stuff (Ideas that worked). Sept., 43.
Travelling safety display (Ideas that worked). Sept., 43.
See also FILMS AND SLIDES

AUTOMATION
Will automation reduce accidents? (Consultation corner). Oct., 8.

AWARDS
American Gas Association gives 55 awards. Nov., 81.
Award of honor and President's Safety Award to AEC (Distinguished Service). July, 70.
Canadian mine earns John T. Ryan award. Aug., 92.
Devil's Slide plant earns state industrial commission award. Nov., 41.
How does the safety man use incentives? Dec., 28-30.
See also ACCIDENT RECORDS; CONTESTS

AWARDS - NATIONAL SAFETY COUNCIL
Congress exhibitor awarded NSC lifesaving medal. Oct., 228.
Flame of Life winners announced. Sept., 40.
For distinguished service. July 69-72.
NSC honored for half-century of service. July, 111.
1963 association award to National Constructors Assn. Nov., 83.
22 associations earn NSC awards. Aug., 89-90.

Baltzer, A. M.
Oh, say can you see? Aug., 30-33.

Belknap, Robert G.
Off the job. Planning safety programs for your plant and community. July, 104; Aug., 55; Sept., 78; Oct., 204; Nov., 91; Dec., 31.

BELTS - SAFETY
Safety aloft (Ideas that worked). Nov., 43.

BELTS - SAFETY - MOTOR VEHICLE
HR 134 approved to provide for federal standards for seat belts (Wire). Aug., 83.
People stoppers. July, 185.

BILLBOARDS
Bill approved on extension of control of billboards on federal-aid highways (Wire). Aug., 83-84.
Highway billboard control program extended (Wire from Washington). Dec., 89.

BOOK REVIEWS
ASTM standards on methods of atmospheric sampling and analysis. American Society for Testing and Materials. Oct., 264.
The diseases of occupations. Donald Hunter. Nov., 93.
Industrial safety. Roland P. Blanke, Oct., 264.
Laboratory planning for chemistry and chemical engineering. Harry F. Lewis, editor. Oct., 264.
Respiratory protective devices manual. Oct., 264-265.
Techniques of plant engineering and maintenance. Sept., 81.

BRAKES - MOTOR VEHICLE
Chart for braking distances on glare ice and loosely packed snow. Sept., 78.

Braun, Daniel C.
Should doctors and nurses meddle in safety? (Panel). Nov., 25.

BUILDING - INDUSTRIAL
Little things can count. Nov., 62-63.
What's responsible for large loss fires? July, 48.

BURNS
Cold water comment from Canada (Voice of the reader). Dec., 4.
Rx for burns (Voice of the reader). Nov., 6, 8.
What is best burn treatment method? (Voice of the reader). Sept., 4.

CHEMICAL LABELING
Court action against products (Wire from Washington). Nov., 89, 90.

CHEMICALS
Ammonium nitrate-fuel mixtures as blasting agents. Data sheet 536. Oct., 255-262.
Are you using toxicity values intelligently? (Olishifski). Oct., 26-31.
Epoxy resin systems. Data sheet 533. Aug., 96-100.
Poison control in the worker's home (Off the job). Nov., 91-92.
Threshold limit values for 1963. Oct., 28-30.

CLOTHING
Are G. I. helmet liners hard hats? (Consultation corner). Aug., 16.
Chalk up another for hard hats. Oct., 208.
Hard hats in an office building? Nov., 82-83.
How do you achieve a 100 per cent hard hat program? (Consultation corner). Nov., 18.
"Now everybody wears safety shoes..." Dec., 24-27.
'Tain't as funny as it looks. Nov., 78.

COMMUNICATIONS
How to break a world record (Saul). Sept., 26-31.
Oh, say can you see? (Baltzer). Aug., 30-33.
Words can work, too (The safety valve). Aug., 10.
See also AUDIO-VISUAL AIDS; RADIO AND TELEVISION

CONFERENCES
Bilingual safety convention to be held in Montreal. Sept., 62.
Coming events. Monthly department.
Ohio 25th annual safety conference to be held in September. Sept., 34.

CONSTRUCTION
Association sets construction goal. Nov., 55.
Paving with Portland cement concrete. Data sheet 541. Dec., 43-47.

Consultation corner (Smith). July, 16; Aug., 16; Sept., 41; Oct., 8; Nov., 18; Dec., 8.

CONTESTS
Film contest opens. Dec., 76.
Fishing contest promotes safety (Ideas that worked). Aug., 44.
Friendly feudin'. Iron Man Contest. Aug., 43.

CORRECTIONS
At 50 feet--1- or 2-inch letters? Oct., 269.
The Fourth World Congress on the Prevention of Occupational Accidents and Diseases erroneously listed. July, 6.
Same date, different month for NSC course. Oct., 244.

COSMETICS
Bill proposed to amend the Federal Food, Drug and Cosmetic Act in variety of ways (Wire). Aug., 88.

COSTS OF ACCIDENTS
A businessman looks at safety (Learned). Dec., 42, 64, 66, 68, 74, 76, 78-80.
How many employees justify a full time safety director? (Consultation corner). Oct., 8.
How much should you spend for safety? (Consultation corner). Sept., 41.
Record represents $73,760 saved. Dec., 94.

COURSES, see TRAINING

CRANES
Safe loads for locomotive or mobile cranes (Consultation corner). Dec., 8.

Cunningham, R. B.
Dramatized fire protection sells better. July, 28-29.

DATA SHEETS
Ammonium nitrate-fuel mixtures as blasting agents. No. 536. Oct., 255-262.
Epoxy resin systems. No. 533. Aug., 96-100.
Flammable liquids in small containers. No. 532. July, scattered pagings from 82-102.
Industrial safety rules. No. 535. Sept., 45-48.
Paving with Portland cement concrete. No. 541. Dec., 43-47.
Powered hand trucks. No. 317, revised. Nov., 46-48.

Diary of a safety engineer (Andrews) (fiction). July, 22; Aug., 20; Sept., 18; Oct., 10; Nov., 20; Dec., 20.

DRIVERS AND DRIVING
Read it and think (Ideas that worked). Nov., 43.
Winter driving program, and aids for program (Off the job). Sept., 78, 81.

DUST
Are you using toxicity values intelligently? (Olishifski). Oct., 26-31.

Dymek, Eugene J.
Contain that fire. July, 30-35.

ECLIPSES
How to avoid eclipse blindness(Fowle). July, 105-108.

EMPLOYEES
NSNews golden anniversary issue adds 30,000 readers (Ideas that worked). Dec., 34.
Oh, say can you see? (Baltzer). Aug., 30-33.
Time cards carry message (Ideas that worked). Dec., 34.

EXPLOSIVES
Ammonium nitrate-fuel mixtures as blasting agents. Data sheet 536. Oct., 255-262.
Blasting caps still hazard to children (Off the job). July, 104.
ICC amended regulations relating to transportation of explosives and other dangerous articles (Wire). July, 122.

FILMS AND SLIDES
Film contest opens. Dec., 76.
Eight tested ways of wrecking a slide presentation. Aug., 34-35.
Golden Eagle award to "The Nozzleman" (Fire tips). July, 43.
NBFU film honored in film competition. July, 74.
Programs should anticipate snow fun (Off the job). Oct., 204.
Sound slide film shows CO 2 extinguisher operation (Fire tips). Aug., 65.

FIRE PROTECTION
AEC proposed to amend regulations on detection units containing small quantities of uranium (Wire from Washington). Sept., 60.
Contain that fire (Dymek). July, 30-35.
Discarded cigarette butts cause fire in scrap truck (Fire tips). Aug., 65.
Fire product data section. July, 144-182.
Fire tips for the safety man (Petersen). July, 43; Aug., 65; Oct., 39.
House of Representatives refused appropriation for new program in fire technology (Wire). Dec., 88-89.
New safety equipment. July, 131-142, 183.
Plates on cars promote fire prevention (Ideas that worked). July, 38.
Survey shows safety man calls the shots in fire protection. July, 46-47.
"10 is an alarm for fire" (alarm box of 1852). July, 45.
Who protects your fire protection? (Wahl). July, 40-42.
Wireless alarm system pinpoints fire location (Fire tips). July, 43-44.

FIRE PROTECTION - EXTINGUISHERS
Antarctic heat beater. July, 121.
Draft curtain correction (Fire tips). Oct., 39.
Draft curtains in plant protection (Fire tips). July, 43.
Dry chemical pipe system. July, 112-114.
Extinguisher explodes, fatal to employee (Fire tips). Aug., 65-66.
Hard punching featherweight finds berth on hydrofoil. July, 49.
High-expansion foam. Dec., 60, 62-63.
NFPA standards now in pamphlet form, 1963 editions of new and revised standards (Fire tips). Oct., 39-40.
The water curtain--a new fire-fighting tool. July, 36-37.
Water rides piggyback. July, 109-110.

FIRE PROTECTION - FIRE PREVENTION WEEK
Plan October fire prevention program now (Off the job). July, 104.
The President proclaimed the week beginning Oct. 6, as Fire Prevention Week (Wire from Washington). Sept., 60.

FIRE PROTECTION - INSPECTION
Fire protection's torture chamber. July, 63-68.
Fire safety guide stresses maintenance and inspection (Fire tips). Aug., 65.
Who protects your fire protection? (Wahl). July, 40-42.

FIRE PROTECTION - PUBLICATIONS
Current fire protection literature (Fire tips). Oct., 39.
Selected list of publications on fire prevention (The safety library). July, 58-62.

FIRE PROTECTION - STATISTICS
A myth exploded--again. July, 130.
What's responsible for large loss fires? July, 48.

FIRE PROTECTION - TRAINING
Annual Kansas fire school to be held in October (Fire tips). Oct., 39.
A workable fire and safety training program (Padellford). July, 26-27.

FIREARMS
Hunting and firearm safety (Off the job). Aug., 55-56.

FIRST AID, see HEALTH - SUPERVISION IN INDUSTRY

Fish, Carman
The safety valve. July, 6; Aug., 10; Sept., 20; Oct., 14; Nov., 14; Dec., 6.

FLAMMABLE LIQUIDS
Flammable liquids in small containers. Data sheet 532. July, 82 and scattered pagings to 102.
NFPA standards now in pamphlet form (Fire tips). Oct., 39-40.
New flammable liquids classification (Consultation corner). Aug., 16.

FOREIGN COUNTRIES
Bilingual safety convention to be held in Montreal. Sept., 62.
Canadian mine earns John T. Ryan award. Aug., 92.
Green light means A.-O.K. safetywise on bulletin board at cement plant (Ideas that worked). Oct., 37.
Sir Ralph Perring, Lord Mayor London pens greeting to NSC on occasion of its 50th anniversary. Dec., 38.
Visitors from abroad at the NSC Congress. Dec., 39.

Fowle, Frank F.
How to avoid eclipse blindness. July, 105-108.

GASES
Are you using toxicity values intelligently? (Olishifski). Oct., 26-31.
Folder lists NFPA gas publications. July, 120.
Safer gas speeds production. July, 20.

GOGGLES
Recognized standards for eyewear. Sept., 24.
Take a careful look (photo spread). Nov., 44-45.
Thin lens for safety glasses? (Consultation corner). Sept., 41.
Would you put these goggles on your workers? (Hopkins). Sept., 21-24.

GRADE CROSSINGS
Grade-crossing accidents (Wire). July, 122-124.

HANDICAPPED PERSONS
David Hall to tell his story. Oct., 210, 212.

HATS, see CLOTHING

HEALTH HAZARDS
Are you using toxicity values intelligently? (Olishifski). Oct., 26-31.
See also RADIATION

HEALTH - SUPERVISION IN INDUSTRY
Floor tiles mark emergency showers (Ideas that worked). July, 39.
First aid or employee health service? (Moore). Aug., 62.
Should doctors and nurses meddle in safety? (Material adapted from a panel session at the NSC Congress, 1963). Nov., 24-34.
What is the safety man's role in first aid? (An NSC survey). Nov., 36-37.
See also BURNS

HOLIDAYS
Christmas holiday campaign underway (Off the job). Nov., 92.
Christmas holiday safety (Off the job). Oct., 206-207.
Labor promotes fifth annual holiday campaign. July, 115-116.

HOME SAFETY
Dramatized fire protection sells better (Cunningham). July, 28-29.
Low-cost fire detection systems for homes (Consultation corner). July, 78, 80.
Poison control in the worker's home (Off the job). Nov., 91-92.

Hopkins, Stuart K.
NRA makes play for better record. Aug., 46-47.
Would you put these goggles on your workers? Sept., 21-24.

HOUSEKEEPING AND MAINTENANCE
Corner guards curb bumps (Ideas that worked). Oct., 36.
Floor maintenance? Oct., 38.
Scrap slab solves housekeeping problem. Nov., 40-41.

Howe, Henry F.
Should doctors and nurses meddle in safety? (Panel). Nov., 24.

HYDROFOILS
Hard punching featherweight finds berth on hydrofoil. July, 49.

Imhoff, Chris
Driver selection and training--key topics at Congress Fleet sessions. Oct., 229-232.

Kelly, Arthur
Ideas that worked. Devices and ideas to help your safety program. July, 38-39; Aug., 44-45; Sept., 42-43; Oct., 36-37; Nov., 42-43; Dec., 34-35.

LABOR
Farming operations constitute nations' third most dangerous commercial enterprise (Wire). Aug., 88.
Occupations hazardous to 16-and 17-year-old minors includes use of meat patty forming machines (Wire from Washington). Nov., 88.
Prohibit employment of youth below 18 in hazardous occupation such as farming (Wire from Washington). Dec., 91.
Radiation: labor's problem, too (Payne). Oct., 239-244.

LABORATORIES
Fire protection's torture chamber. July, 63-68.
Floor tiles mark emergency showers (Ideas that worked). July, 39.
A workable fire and safety training program (Padellford). July, 26-27.

Learned, Stanley
A businessman looks at safety. Dec., 42, 64, 66, 68, 74, 76, 78-80.

LIFE PRESERVERS
Coast Guard issued regulations on life saving equipment, and fire extinguishers (Wire). July, 125.
Lights on lifejackets recommended for extended overwater flights of commercial aircraft (Wire). Aug., 86.

LIFTING
Lifting devices made to measure (Schukraft). Aug., 24-29.

McElroy, Frank
Z16.2 revision complete. Aug., 93-94.

MACHINERY
Hands off snow blowers (Off the job). Oct., 204-205.
On guard (Voice of the reader). Nov., 6.
Play on words plays up machine guarding (Ideas that worked). July, 39.

MANAGEMENT
A businessman looks at safety (Learned). Dec., 42, 64, 66, 68, 74, 76, 78-80.

MARINE INDUSTRY
Begin work on longshoring standard. Aug., 90.
Bill approved authorizing the President to proclaim (international) regulations for prevention of collisions at sea (Wire). Aug., 88.
Bill passed to simplify and relax requirements for lights and fog signals for anchored vessels (Wire). July, 124.
Bill proposed to authorize President to accept and proclaim the international regulations for the prevention of collions at sea (Wire). July, 124-125.
Coast Guard issued regulations on marine parades and regattas (Wire). July, 125.
1963 federal legislation reviewed (Wire from Washington). Dec., 90.

MATERIALS HANDLING
Keep your distance. Oct., 32-35.
Lifting devices made to measure (Schukraft). Aug., 24-29.
Safe loads for locomotive or mobile cranes (Consultation corner). Dec., 8.

Millikan, R. F.
A better yardstick? Dec., 55-58.

MINING
Campaign achieves 28 per cent reduction in frequency rate. Oct., 216.
Canadian mine earns John T. Ryan award. Aug., 92.
Coal mining accidents in 1962 reported by U. S. Bureau of Mines (Wire). July, 122.
Hearings on federal coal mine safety act (Wire from Washington). Dec., 88.
Legislation to extend Federal Coal Mine Safety Act coverage (Wire from Washington). Nov., 87-88.

Moore, Mildred M. J.
First aid or employee health service? Aug., 62.

MOTOR VEHICLES
Bureau of Census plans Truck Inventory and Use Survey (Wire). Aug., 84.
HR 134 approved to provide for federal standards for seat belts (Wire). Aug., 83.
Hearings on operators of disabled vehicles; and emergency towing of said vehicles (Wire). July, 122.
People stoppers. July, 185.
Registrations in 1962, and operators licensed (Wire). Aug., 84.
Vehicle safety checks uncover many hidden dangers (Off the job). Dec., 31-32.

NATIONAL SAFETY COUNCIL
Broaden scope of council committees. Sept., 74.
A businessman looks at safety (Learned). Dec., 78-80.
Forty years ago (The safety valve). Oct., 14.
Industrial conference leaders--1964. Dec., 14-16.
John P. Fleming to head NSC Public Safety program (Personals). July, 128.
Key contacts. July, 129; Aug., 58; Nov., 78.
A message from the president (Pyle). July, 18-19.
Ralph Kuhli joined staff of University of California as assistant to the coordinator of medical and health sciences (Personals). July, 128.
William H. Cameron, pioneer safety leader dies. Oct., 16, 214.

NATIONAL SAFETY COUNCIL - CONGRESS, 1963
All roads lead to Chicago. Oct., 46-47.
Congress exhibitor awarded NSC lifesaving medal. Oct., 228.
Congress session schedule. July, 50.
David Hall to tell his story. Oct., 210, 212.
Dr. George D. Heaton to address Early Morning sessions. Sept., 55.
Dr. Harvey C. Hahn to speak at fleet safety luncheon. Oct., 232.
Dr. Winters to address congress session (Off the job). Aug., 55.

NATIONAL SAFETY COUNCIL - CONGRESS, 1963 (cont.)
Downtown Chicago, hotels and points of interest. Oct., 50.
Exhibitors. Oct., 80-142.
Exposition floor plans. Oct., 72-74.
Exposition guide, 1963 National Safety Congress and Exposition. Oct., 43-198.
Driver selection and training--key topics at Congress fleet sessions (Imhoff). Oct., 229-232.
Learned opinions on employee motivation. Oct., 22, 224.
Medicine men at the congress. Oct., 220, 222.
1963 congress sessions--basics and specifics of industrial safety. Sept., 64, 66-68, 74.
OTJ rates high on congress calendar. Oct., 218, 220.
Product directory. Oct., 76-79.
Record-smashing congress climaxes golden anniversary year. Dec., 36-41.
The second fifty (The safety valve). Dec., 6.
They said it at the Congress--excerpts from talks on management, safety programs and do-it-yourself traps. Nov., 74.
What they'll be saying, gleaning from papers to be presented at the 50th National Safety Congress. Oct., 68-69.
What's new. Oct., 144-198.
Who comes to the congress? Oct., 62.
Women's tea set for Wednesday afternoon. Oct., 212.

NATIONAL SAFETY COUNCIL - CONGRESS, 1923
Forty years ago (The safety valve). Oct., 14.

NATIONAL SAFETY COUNCIL - PUBLICATIONS
Anniversary accolade (Voice of the reader). July, 10.
Compliments from a colleague in London (Voice of the reader). Dec., 4.
Keeping posted. New safety materials from the National Safety Council. Monthly department.
NSNews golden anniversary issue adds 30,000 readers (Ideas that worked). Dec., 34.
Statement of ownership, management and circulation. Dec., 80.
Winter driving program aids (Off the job). Sept., 78.

NATIONAL SAFETY COUNCIL - SURVEYS
Floor maintenance? Oct., 38.
How does the safety man use incentives? Dec., 28-30.
Survey shows safety man calls the shots in fire protection. July, 46-47.
What is the safety man's role in first aid? Nov., 36-37.
What part does the safety man play in workmen's compensation? Sept., 15-16.
Who comes to the congress? Oct., 62.

NOISE
New bench mark for measuring noise. Aug., 68
Portable recorder monitors sound levels. Nov., 60.

OBITUARIES
Cameron, William H.--Died Sept. 12, 1963. Oct., 16, 214; Nov., 14.
Deike, George H., Sr.--Died July 16, 1963. Sept., 76.
Gilliland, Willard R.--Killed in auto crash, summer, 1963. Nov., 35.

OBITUARIES (cont.)
Stennett, Joseph C.--Died July 24, 1963. Sept., 76.
Stilwell, John--Died July 26, 1963. Sept., 76.

OFF THE JOB
A businessman looks at safety (Learned). Dec., 64, 66, 68, 74.
Dramatized fire protection sells better (Cunningham). July, 28-29.
How do you start an off the job program? (Consultation corner). Nov., 18.
OTJ rates high on Congress calendar. Oct., 218, 220.
Off the job. Planning safety programs for your plant and community (Belknap). July, 104; Aug., 55; Sept., 78; Oct., 204; Nov., 91; Dec., 31.
Travelling safety display (Ideas that worked). Sept., 43.
See also DRIVERS; HOLIDAYS; HOME SAFETY; SPORTS; TRAFFIC

Olishifski, Julian
Are you using toxicity values intelligently? Oct., 26-31.

ORGANIZATION
Baker's bulletin prints profit argument for safety. Oct., 245-247.
Have you tried these? (Ideas from a program at Alpha Portland Cement's Lime Kiln plant). Nov., 38-39.
How many employees justify a full time safety director? (Consultation corner). Oct., 8.
How to break a world record (Saul). Sept., 26-34.
Ideas that worked; Devices and ideas to help your safety program (Kelly). July, 38-39; Aug., 44-45; Sept., 42-43; Oct., 36-37; Nov., 42-43; Dec., 34-35.
Little things can count. Nov., 62-63.

Padellford, Ralph
A workable fire and safety training program. July, 26-27.

Payne, Brooks F.
Radiation: labor's problem too. Oct., 239-244.

PERSONALS
Personals, news of people in safety and related activities. July, 128; Aug., 58; Nov., 56. (Most of items listed below, come from "Personals.")
Babbitt, Richard G.--Congress exhibitor awarded NSC lifesaving medal. Oct., 228.
Brady, Dan F.--Maytag safety engineer transferred to the Tool Engineering Department. Aug., 58.
Elkins, Sam S.--Retires from Corps of Engineers. Nov., 57-58.
Ellis, Fred D.--Named safety director for Consolidated Papers. Nov., 56.
Gilbreth, Lillian--Durable Dr. Gilbreth (The safety valve). Dec., 6.
Gilliland, Willard R.--A safety man's living legacy. Nov., 35.
Graham, Arthur R.--Awarded safety citation at Chicago ASSE meeting. Aug., 91.
Hahn, Harvey C.--Dr. Hahn to speak at fleet safety luncheon. Oct., 232.
Hall, David--To tell his story at NSC Congress. Oct., 210, 212.
Hannaford, Earle S.--Dr. Hannaford retires from AT&T. Aug., 58.
Heaton, George D.--To address early morning sessions of the 1963 National Safety Congress. Sept., 55.
Henson, Edward V.--Appointed Berylco medical head. Nov., 56.

PERSONALS (cont.)
Huston,Ralph E.--Maytag's Plant 2, has new safety engineer. Aug., 58.
Kaplan, Joseph M.--Receives CAE award. Nov., 56.
Keenan, Joseph D.--Labor promotes fifth annual holiday campaign. July, 115-116.
